

US Warranty

SCHOTT warrants its standard and custom fiber optic and LED products manufactured in North America to be free from defects in material or workmanship over a period of one year from date of shipment. Light source products and accessories are covered under a separate warranty found with each light source product. Fiber optic products made at other locations are covered under a separate warranty.

If any standard fiber optic product is found to have defects in material or workmanship the purchaser should promptly notify SCHOTT. After an RMA number is assigned, purchaser may return defective products to SCHOTT, carrying charges prepaid. At SCHOTT's option, we will repair or replace standard fiber optic products found to be defective, and return the products carrying charges prepaid. SCHOTT's correction of any defects by the grant of credit, repair or replacement shall constitute fulfillment of all of its obligations and liability to the purchaser hereunder.

SCHOTT is not responsible for damage to its standard fiber optic or LED products caused by improper installation, maintenance, use, or attempts to operate above its rated capacity intentionally or otherwise, or for unauthorized installation, maintenance, use, repairs or adjustment. Any actions cited above shall terminate this Warranty and shall relieve SCHOTT from any further responsibility thereunder.

SCHOTT shall not be liable for any incidental, special, or consequential damages in any claim action, suit or proceeding arising under this Warranty or any other part of the agreement of sale between SCHOTT and the purchaser, nor shall there be any liability hereunder for claims for labor, loss of profits or good will, repairs or other expenses incidental to replacement.

The foregoing Warranty is in lieu of all other representations and Warranties, expressed or implied, written or oral, including Warranties of merchantability or fitness of the goods for a particular purpose which are hereby expressly disclaimed.

Liabilities

Any warranty implied under State Law shall be limited to one year from original delivery to original purchaser. Specifically excluded from SCHOTT liability is damage resulting from acts of any deity, malicious mischief, vandalism, riots, wars, improper installation or neglect in the operation or maintenance of the unit or misunderstanding of the properties of the unit. Under no circumstances shall SCHOTT be obligated for consequential or other damages of any kind or description, losses or expenses in connection with or by reason of the use of, or inability to use this unit for any reason. The stated warranty provides the purchaser with specific legal rights, and there may be additional rights which vary from State to State. Some States, for example, do not allow exclusion of consequential damage.

*Product improvements may result in specification
or feature changes without notice.*
