EasyLED Backlights
Ergonomic and compact illumination system for stereo microscopy and macroscopy

Features
- No separate controller box
- Ergonomic operating (not necessary to remove eyes from the eyepieces).
- Continuous dimming from 0 to 100%.
- All devices are separately dimmable.
- Wide input range power supply (100 - 240 V).
- World wide plug (clip system).
- Low costs for high quality and functionality.
