Jumbo Ringlight

Features
- Continuous ring of illumination fiber within the housing.
- Active diameter of the bundle is using the entire focal diameter of the 250 watt halogen bulb.
- Mounts directly to 66 mm objective by means of thumb screw.
- Housing made of rugged, black anodized aluminum.
- Fiber bundle protected with flexible metal PVC sheathing.

Benefits
- Absolute shadow-free illumination for large area targets (i.e. SMD).
- The Jumbo ringlight in connection with the KL 2500 LCD delivers 300% more light as the standard ringlight with KL 1500 LCD.
- Large area fluorescence illumination.
